- Arrival:** Unload equipment and instruments at approximately 3:00 pm. Parents can pick up their children at the band room door or at the front of the school. Mrs. Smith has spoken to the track coaches and students are allowed to be late for THIS track practice only.

Students are allowed to bring their phones and headphones for the trip. Phones must be turned to silent at all times. Because we are eating lunch out, please make sure to bring sufficient funds for lunch. Parents are welcome to come watch the performance. There is no admission fee to the festival.

Students are required to take the bus to the festival and return to school on the bus. Parents are not allowed to take the students from the festival site, according to school policy. Any questions regarding this policy can be directed to Mrs. Mick, head principal of OGMS.

Students must leave their instruments and music in the band room on Monday evening so that I can make an inventory of everything and get it loaded on the box truck.

Remember that you are representing Oak Glen, the music department, and your families. Conduct yourselves accordingly. Do not talk and have your phones put away during performances. Clap respectfully for the students you are watching. Show kindness and respect to others. Show off your amazing musical talents, and have fun!
